

TOWN OF GREENVILLE, FLORIDA

REQUEST FOR PROPOSALS (RFP) NO. 2025-04

LEAD ENGINEER

Proposer Questions and Answers

Question #1:

Good morning, Mrs. Reams –

I hope this email finds you well. Our team has a question regarding the **Town of Greenville Lead Engineer Services Pure Water, Bright Future Project RFP No. 2025-04**. Please see our question below:

1. As currently worded, we believe that the indemnity provision on Form 9 on page 20 of the RFP is not in compliance with FL Statute 725.08 and is unenforceable. Would the Town consider rewording same to conform with the statute? Suggested language per FL Statutes 725.08: *“The design professional shall indemnify and hold harmless the Town , and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the contract.”*

Thank you and we look forward to your response!

(Submitted on October 29, 2025)

Answer #1: Thank you for your email. We agree to revise Form 9 to better reflect the language of section 775.08, *Florida Statutes*. The RFP, with a revised Form 9, has been uploaded and is now available for download.
